

Frank Carroll Financial Pledges Gift of Humanity to Regional Health Care

FOR IMMEDIATE RELEASE

September 18, 2019

(Pembroke) The Pembroke Regional Hospital Foundation is honoured to receive its first \$10,000 Gift of Humanity from Frank Carroll Financial in support of the 14th Annual Black and White Gala.

“Because of our families, our friends, our staff and colleagues and their loved ones, access to comprehensive health care close to home is paramount,” shared Laura Carroll, Director of Operations at Frank Carroll Financial. “We felt like it was our duty to support the hospital that looks after those we care most about,” Ms. Carroll continued.

Receiving the gift was PRHF Manager of Advancement, Sarah Neadow: “We are thankful to Frank Carroll Financial for their continued dedication to the health and wellness of local families.”

“As well as being long-time supporters of the yearly gala and the Foundation, Frank Carroll Financial and the Carroll family have invested over \$310,000 towards advancements at the Pembroke Regional Hospital.”

Slated for October 19th at the Normandy Officers' Mess, the black-tie gala will offer a delicious four-course meal served up by Ullrich's, a live auction of luxury items and grand experience packages, and so much more.
