### **The Pembroke Regional Hospital is receiving applications for the Board of Directors and Community Representatives on Board Committees.**

Becoming a Community Representative on a Board Committee is an excellent way to learn about and become oriented with the functions of the Board and gain additional experience before becoming a member of the Board of Directors. Using the role of Community Representative on a Board Committee as a prerequisite to becoming a member of the Board is considered a governance best practice.

Applicants to the Board of Directors should be prepared to make a significant commitment for a three year term (with the possibility to reapply for two additional terms). Community Representatives on Board Committees are appointed annually.
