

Pembroke Regional Hospital

MEMO

To: All Staff and Physicians
From: Project CAPE, Laurie Menard (Lab Liaison)
Date: November 4th, 2022
Subject: Core Lab Requisitions

Project CAPE in collaboration with clinical managers and Lab continue to work towards electronic Lab Order Entry. The next step is to remove the paper **CORE Lab Requisitions**.

On Tuesday November 8th at 7 a.m., the clerks will be removing these requisitions from the Inpatients unit only. (2MED, 3MED, AMH, REHB, SURG, ER, ICU, LDRP, SDC, ZONE B)

We have an established Super User group who are trained and have been teaching clinical staff on their units. Please reach out to these Super Users for training and support.

List of Super Users

Name	Unit	Ext.
Colleen Ferneyhough	AMH	6145
Colleen Gribbon	MED	6240/8340
Jamie Lynn Thibeault	ER/ICU	6023/6060
Jillian Keyes	REST	6023/6060
Jennifer Anthony	Rehab	8154
Lisa Best	LDRP/SURG	6438/6380

Help documents available on the [PRH Intranet \(pemgenhos.org\)](http://pemgenhos.org) – select [Electronic Medical Record \(EMR\) Help](#) then select Bedboard to find Lab Order Entry.pdf and the Core Lab Order Codes.pdf

HIS – Order Entry eLearning is available and has been assigned to all nurses. This eLearning includes steps with screen shots for entering lab orders electronically.
