**Please note that our flag has been lowered to half-mast in honour of Suzanne Kramer-Martin, Decision Support Analyst at Pembroke Regional Hospital for 26.5 years, who passed away on July 1, 2025.**

**During her time at PRH, Suzanne was a wonderful and valuable support to the Senior Leadership and Management Teams and her positive spirit and willingness to help others made a significant impact on all of us. She was not just a colleague, but a friend to many, always ready with a smile and a helping hand, especially when supporting the Staff Association over many years with events such as the Children's Christmas Party.**

**We will be honouring Suzanne's memory through a memorial service that will be scheduled at a later date and through a donation to the Foundation in her name.**

**We are saddened by her loss and we are sending love and strength to her friends, co-workers, and family at this difficult time.**
