Subject: Flag Lowered to Half-Mast

Our thoughts are with Cindi Groves, Food Services, following the death of her husband, Shawn Buske, who passed away on September 7, 2023. Shawn was a member of the Environmental Services Team at PRH for almost three years. We are saddened by his loss and our thoughts are with his friends, co-workers, and family at this difficult time.

The flag has been lowered to half-mast in his honour.
