Subject: Outbreak Over – 3rd Medical

In consultation with the Renfrew County District Health Unit, the COVID-19 outbreak on the 3rd medical unit has been declared over. All outbreak management strategies for the medical unit have been lifted.

We would like to thank everyone for their teamwork and collaboration as we navigated this outbreak. Following Infection Prevention and Control best practices, we were able to interrupt the transmission of COVID-19 to keep our patients and staff safe. We appreciate your ongoing efforts to remain vigilant with these practices including patient screening, adherence to the four moments of hand hygiene, compliance with PPE as indicated by posted additional precaution signage, and cleaning of shared equipment.

We will continue to work together as we navigate the ongoing COVID-19 outbreak on the Inpatient Rehabilitation Unit.

Thank you,
