SUBJECT: Outbreak- 3rd Medical

In consultation with the Renfrew County District Health Unit, the COVID-19 outbreak on 3rd Medical was declared over on Saturday September 3rd, 2022. All outbreak management strategies for 3rd medical have since been lifted.

We would like to thank everyone for their teamwork and collaboration as we navigated the three active COVID-19 outbreaks at one time. It was a challenging few weeks for the hospital but together we were able to interrupt the transmission of COVID-19 and overcome the outbreaks in a timely manner.
