---

Please join us in congratulating **Peter Payton** as the **Director of Information Technology**, effective August 15, 2022.

Peter has worked as the Director of Information Technology for the last 18 years at the Renfrew Victoria Hospital where he has lead their IT team and successfully completed many large and complex IT projects. Peter is very excited about joining PRH and helping to lead our IT strategy moving forward.

Please welcome Peter to the Director of Information Technology position at the Pembroke Regional Hospital.
