As many of you are aware Rebecca Savoie will be leaving her position as Director, Finance and Procurement effective March 14, 2025. I would like to take this opportunity to thank Rebecca for her contributions and dedicated service during her time with the Pembroke Regional Hospital.

It is my pleasure to announce that Sean Crozier will be joining us as the new Director, effective May 5, 2025. Sean comes to PRH with several years of financial leadership experience within the municipal government sector and holds the Chartered Professional Accountant (CPA) designation. Sean has also served on PRH's Board of Directors, and prior to this he served for two years as a Community Representative on the Board Resource and Audit Committee. Sean was born and raised in the Renfrew area and now lives in Pembroke and is excited about joining the PRH team.

For the time being, please direct Finance related matters to Erin Broome, Manager, Finance.

Please join me in wishing Rebecca the best in her future endeavors, and in welcoming Sean to PRH!
