

Quick Tip

ACCREDITATION | April 3 to 6, 2023

Safe & Secure Environment

- Our hospital is committed to a safe workplace for staff.
- Wear your hospital ID badge *at all times*.
- Be aware of your surroundings.
- Keep your belongings secure, especially when unattended.
- Don't leave belongings visible in your parked car and keep your vehicle locked.
- Don't let unauthorized individuals "tailgate" behind you through secured doors.
- If you notice suspicious behaviour, contact your manager (*clinical resource after hours*)
- If someone exhibits violent or potential violent behaviour, activate an Emergency Code White by dialing ext. 6666
- Notify your manager, and complete a RIMS report for security incidents.

Q-Tip #6

The physical environment is safe!

It's Our Time to
SHINE again!
